

# WHAT OUR CUSTOMERS ARE SAYING

JIM HALLIDAY, PRESIDENT  
CONTRARIAN METAL RESOURCES

“Leveltek has done processing for our company since we founded it in 2001...”

Jim Halliday, President  
Contrarian Metal Resources

“...Have done a  
**remarkable job** for us...”

Jim Halliday, President  
Contrarian Metal Resources

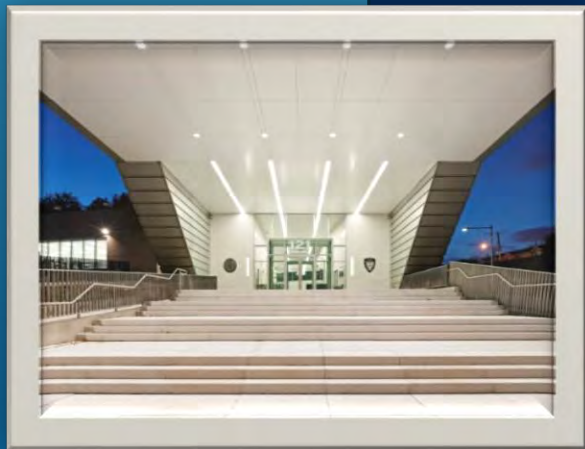

“...We had a very recent experience with them in the past couple of weeks...”

“...They provided **instant availability** of processing equipment to run some trials to determine a process path for one of our products that was new to be launched”

Jim Halliday, President  
Contrarian Metal Resources

“A process that normally would of taken a month to schedule was **done all in one day...**”

“...They made their equipment available to us on a fast track basis. Which is just an **incredible courtesy** they extended to us...”

Jim Halliday, President  
Contrarian Metal Resources

“...and after that I had been with Mike and I said,

**“you know Mike,  
can I give you a testimonial?...”**

Mike Kelly, President  
Leveltek Processing

Jim Halliday, President  
Contrarian Metal Resources

“...I’m really **blown away** by the support you gave our company today

and really, **over the years** they have **done a great job** for us...”

Jim Halliday, President  
Contrarian Metal Resources

“I think it’s **so remarkable** that they helped us **meet a very critical deadline...**”

“...and **allowed us to prevail on a new product** that would be available in time to use on a very large construction project”

Jim Halliday, President  
Contrarian Metal Resources

“If it weren’t for Leveltek doing what they did for us...”

“...we might not of made the **deadline** and probably wouldn’t have”

Jim Halliday, President  
Contrarian Metal Resources
